

RaiseRight™

Formerly ShopWithScrip

2025-2026 Fundraising

RaiseRight, formerly ShopWithScrip, is a gift card fundraising program used by nonprofit organizations. It has been the #1 fundraiser across the US for more than 25 years. Why? Because it's easy and more convenient than selling goods or recruiting volunteers. Earn simply by buying gift cards to use for everyday purchases instead of cash or credit cards. Crosspoint has fundraised through RaiseRight since the school's conception. Both Hosanna and Triad participated in the program before the merger. On average, the school earns \$5,000-\$10,000 a year using this passive form of fundraising!

Here's how it works. For every RaiseRight gift card, eGift card, or card reload you purchase at face value, the retailer donates to Crosspoint in the form of a rebate. Rebates range from 1% to 25%, depending on the retailer. In addition to the 750+ brands listed with RaiseRight, over ten local retailers participate in the program. The first \$100 in rebates (per family, per school year) are directed to Crosspoint via the CFC General Request Fund. After that, rebates are split between the school and your family's tuition account for the next year. You heard right! Earn credit toward your CCS tuition account! Are you an alumnus, teacher, or supporter without currently enrolled students? Direct your rebates toward a CCS family, club, program, or class of your choice. As an added bonus, the CFC also runs promotions. Earn \$40 in rebates monthly and receive a \$10 gift card from one of our showcased retailers. (Monthly promotions will be highlighted in the weekly CCS email to families. Promo earners will be notified by the RaiseRight coordinator.)

To join RaiseRight and start earning for Crosspoint, simply follow these steps.

- 1)** Visit www.RaiseRight.com/enroll or download the RaiseRight app.
- 2)** Select "Join a Program". Enter Crosspoint's enrollment code (**94LF3AC131828**) and complete the fields to create your account. (You'll need to provide your first and last name and email address.)
- 3)** Enter and verify your phone number for 2-step verification.
- 4)** Choose your payment preference.
 - A)** Pay online with your bank account. From your Account page, choose Settings > Payment Options > Add Bank Account. Follow the steps to automatically link your bank account. There is a \$0.29 fee on each transaction. *(This is the most popular and secure way to pay for gift cards. Get your eGift cards and reloaded funds instantly.)*
 - B)** Pay online with your debit or credit card. Visa, Mastercard, and Discover are accepted. There is an option to save your debit or credit card at checkout for future purchases. Per transaction, there is a 1% fee for debit cards and a 3% fee for credit cards. *(This is a convenient way to pay, while still having instant access to eGift cards and reloaded funds.)*
 - C)** Pay CCS directly. Pay in the CCS office with cash or check. Orders using this payment method must be marked as paid by the office staff before they are fulfilled. *(This option works best when selecting from our office inventory. It is not recommended for purchasing eGift cards and reloaded funds due to a delay in payment confirmation.)*

That's it! It's time to start earning!

Where do I buy RaiseRight?

Gift cards can be purchased at the school or through the RaiseRight app. The school maintains a general inventory of gift cards in the main office. (See attached order form for brands.) Bulk orders are placed roughly every two weeks, and order date reminders are provided via the weekly CCS email to families. eGift cards and reloads paid for by bank account or credit card are ready for immediate use.

When does the RaiseRight year start?

Crosspoint's RaiseRight program resets every year in mid-May. Families will have access to their rebate totals in June. These rebates will be applied to your family's tuition account for the upcoming school year.

How are rebates earned?

After the first \$100 is directed to the school, rebates are split 50/50 between CCS and your family's tuition account. The rebates earned depend on each brand. For example, Fred Meyer offers 4%. If you buy a \$100 card, \$4 is offered in rebates. If your \$100 minimum is met for the year, \$2 goes to the school and \$2 to your tuition account. It does add up over time. Families who consistently use RaiseRight to buy groceries, shop online, and travel, will find they often earn enough in rebates to cover a school registration fee or more.

How much does CCS tend to earn with RaiseRight and where does it go?

For example, from 5/16/2024 to 5/15/2025, families earned **\$6,745.39** in rebates for the Crosspoint General Request Fund. In the past, this fund has supported outdoor space renovations. **Eighteen** families met their \$100 rebate minimum and earned **\$3,317.73** in tuition credit. A total of **81** CCS families participated in RaiseRight on some level last year. Let's earn even more in 2025-2026!

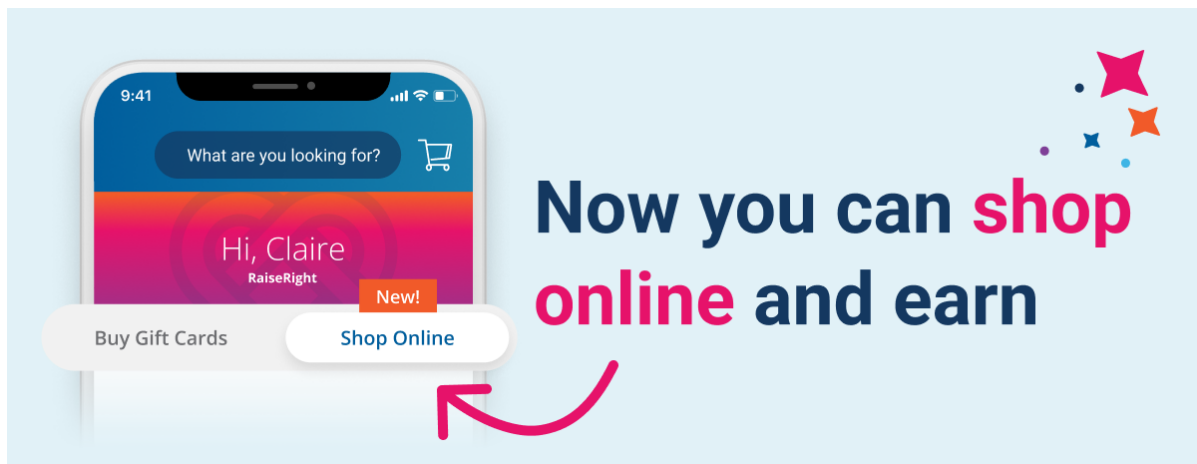

Are there any potential downsides to RaiseRight?

RaiseRight does require your family to reconsider how you pay for your everyday expenses, but once you do and fall into a routine, it is an easy and effective way to earn money for the school and yourself.

Bank account or credit card payment methods require a small fee, but cash and check payments are fee-free through the CCS office.

Please treat RaiseRight gift cards like cash. In most cases, it is not possible to recover funds on a lost or stolen gift card. RaiseRight and Crosspoint are not responsible for lost or stolen gift cards once they are in your possession.

Are there other ways to earn through RaiseRight?

Log in and visit the new Shop Online tab on RaiseRight.com and the app to explore 450+ new brands that offer online earnings. Select a brand, click "Shop Now" to shop directly on their website, and earn by completing a purchase. Plus, for many brands you can earn extra if you buy a gift card from RaiseRight to use as payment. No extra fees, just extra earnings.
