

Proposed Playground Upgrade

Phase One 2023-2024

Crosspoint Christian School

Rock

Eating area made of decomposed granite with desire for shade cover pending fundraising.

Asphalt area for basketball and other hard surface play with desire for hard cover pending fundraising.

Play area—Add wood chips for safety. Decrease amount of rocks and rubber brought into the school.

Grass area with in-ground sprinklers.

Decomposed Granite Path 5' wide

This project has two phases. Phase One, as pictured here, is estimated to cost \$130,000. It will create a more usable and safe outdoor space for our students throughout the year. Phase Two will include the addition of new pieces in the play area and covers for our eating and asphalt area.

We have currently raised \$22,276.84 and need your help to finish raising the funds for this project. Please check out our upcoming fundraisers that will provide the financial support we need to upgrade our playground for all Crosspoint students.

If you have any questions please do not hesitate to reach out to Mr. Rice at kevin.rice@crosspointchristian.org.

Playground Giving Campaign

CCS is asking local businesses and families in our community to help support our playground upgrade. Recognition of your \$1,000 donation will be visible on two of our playground fences with either your business logo or family name. In addition to hundreds of Crosspoint students (all grades) enjoying the playground every day, we also have families using the playground outside of school hours. This is a great opportunity to get the name of your business out into the community while helping CCS create a more usable and safe space for our students to play.

If you have a business or know someone who does, please share this document with them. If you would like to help Crosspoint provide an improved outdoor recreation space for its students, please complete the form and return to school with your donation by October 31, 2023.

Administrator Challenge

Do you want to see an administrator get pied in the face? Then this fundraiser is for you. Starting at Back to School Night, Mr. Rice (UO Ducks) and Mr. Wehr (OSU Beavers) will each place a jar in the school entryway. Place your donation in the jar of your choice and the administrator who raises the most money by September 13 will be pied in the face at one of our fall pep assemblies!

Who do you want to win this challenge?

Mr. Rice and the Ducks or Mr. Wehr and the Beavers?

As always, any donation would be a blessing and can be done at anytime outside of these fundraisers. Ways to give throughout the year include:

By mail or bring to the office | CCS, 5000 Hosanna Way, KFO 97603

By phone | 541-882-7732

Online | www.crosspointchristian.org/online-giving.

We appreciate your support in making this project come to life and giving our students an outdoor space to explore and enjoy during the day.
