**FACTS Management**

Every family has a tuition account, incidental expense account and prepay account for their student(s) through our school management system (FACTS). Your tuition account is **only** for tuition payments. Your incidental expense account is used for aftercare, sports, and other extracurricular activity fees. The prepay account is primarily used to purchase Scrip.

**Tuition Assistance**

It is our desire that no student be turned away from CCS due to financial reasons. Therefore, the Crosspoint Christian School Board has established a designated fund for those in need of tuition assistance. We use the FACTS Grant & Assessment Program to assess need-based tuition assistance. The amount of tuition assistance funds granted is based upon available funds. For more information, please contact the school office.
