

CROSSPOINT CHRISTIAN SCHOOL

PARENT AGREEMENT

Crosspoint Christian School (CCS) is committed to providing a Christ-centered education that prepares your child/children for life and service. We believe that the expectations outlined in Crosspoint Christian School policy are conducive to your personal growth and are in the best interest of Crosspoint Christian School as a whole. Our school expectations are based on biblical principles, our local church support, our school history, and responsiveness to today's culture.

While we recognize that personal convictions from family to family may differ from that of Crosspoint, the purposes and ideals underlying them necessitate families be willing to modify their own personal preferences and standards of conduct while associated with CCS. If families cannot make needed modifications, we recommend that you consider a different learning environment.

To maintain harmony with the home and Crosspoint Christian School, parents are required to:

- **Support the school with your prayers and volunteer services.** Each family is required to complete a minimum of 15 service hours. You may opt out of this requirement by paying a \$225.00 fee.
- **Support Crosspoint Christian in all matters of discipline involving your student.** Disciplinary policy is outlined in the student handbook and policy manual.
- **Resolve problems according to an established process as outlined in policy 3.08.** Complaints should be handled and resolved as close to their origin as possible.
- **Support Crosspoint Christian's *attendance policy* by committing to ensure that your student(s) are at school and on time each day.**
- **Support Crosspoint Christian in positive ways and not make negative or disparaging remarks about CCS in the community or on social media.**
- Read and acknowledge **Crosspoint Christian School's Statement of Faith.**
- Read and discuss the **Technology and Electronic Media Policy** on acceptable use with your student and understand what is considered acceptable and unacceptable use of CCS computers and network. I give CCS administration permission to issue an account to my student. In accepting an account, my student is also accepting responsibility for using technology in a responsible and appropriate manner.
- Read and discuss the **Student Standards of Conduct** with my student. My student agrees to abide by the conduct code.
- Read and accept **Crosspoint Christian's Tuition and Fee Policy.**
- Familiarize yourself with the **CCS Policy Manual** which is located on the website under Our School/School Board. The policy manual is a living document and is subject to change as the school grows. Any additions, deletions or corrections that may occur during the academic year are part of a normal change process.
